

Nigerian College of Accountancy

...Advancing the Science of Accountancy

The Nigerian College of Accountancy is a Post Graduate Professional College setup to train and polish Nigerian accountant graduates into matured and seasoned accountants. The College is the training arm of Association of National Accountants of Nigeria (ANAN) and the first of its kind in Africa and second in the World.

The organization charged among other things, with the duty of advancing the science of Accountancy in Nigeria, determining the standards of knowledge and skill to be attained by persons seeking to become members of the accounting profession, and promoting the highest standards of competence, practice and conduct among members of the Profession. Our Objective is to advance the science of accounting by building a new generation of accountants that will be setting the pace of professional accounting as new frontiers of the profession demands. We are here to support your objective towards this regard. Our Mission To build a Center of Excellence for the teaching of Accountancy, not only in Nigeria, but also in Africa, which will serve as the Cradle of Professionalism and the best in professional practice, and to inculcate Standards of Integrity, probity, honesty and good conscience in Nigerian professional practice. To raise a new generation of accounting professionals that will serve as the arrow-head of a new dispensational and millennial move in the development of accounting in Nigeria. To advance the Science of Accountancy in Nigeria-pioneering a multi-disciplinary emphasis in the production of well rounded and well blended professionals-vast in knowledge, skilled and experienced in practice, and committed to the highest ideals of ethical conduct. **THIS WE BELIEVE!!!**
